

Loto

SMALL TABLES

2006

Antonio Citterio

Description

Oriental inspiration for the Loto coffee tables, sophisticated accessories that lend themselves to living in different environments. Characterized by the circular volume lightened by the peripheral frame of curved solid staves, they are available in solid wood in various finishes or painted with shellac effect. The range is enriched also with a small table/night table with a taller size, designed to accompany a high mattress. This element can be combined with a tray that fits perfectly on the table top, ideal for serving breakfast in bed or a cocktail on the sofa.
